Information Technology Apprenticeship Incentive Fund
List of Approved Occupations
October 30, 2026

ABOUT

The Trustees of Clark University administers the $27 million **Information Technology Apprenticeship Incentive Fund** through a cooperative agreement with the Department of Labor to support Registered Apprenticeships in information technology occupations. Sponsors with eligible occupations may receive a one-time incentive payment of $6,000 for each eligible new apprentice who remains employed for at least 90 days.

This list of approved occupations contains the occupations determined by the Department of Labor's Office of Apprenticeship to be the ones that most closely align with the job roles and skills required by this specific PfP grantee's priority industry or industries. Requested occupations must be apprenticeable and match the RAPIDS Occupation Code and O*NET code associated with the current list.

QUESTIONS

For questions about the Information Technology Apprenticeship Incentive Fund or the list of approved occupations, please email the Trustees of Clark University at WorkforcePrograms@ClarkU.edu or call Dug Jones at (508) 798-4344.

NOTE

- If you do not see your occupation on the list below, your occupation may be eligible through other incentive funds available through the Department of Labor. More information about the five new incentive funds is linked here: Apprenticeship Incentive Funds.
